

## DOG DAYCARE & BOARDING INFORMATION

### Guidelines

Yappy Campers has set up some guidelines to ensure the safety and health of all daycare and boarding clients. The following guidelines and rules apply:

- All dogs must be 12 weeks of age or older.
- All dogs 6 months or older must be spayed or neutered.
- All dogs must have up-to-date vaccinations. Owners must submit proof of the following vaccinations: Distemper/Parvovirus, Bordatella, and Rabies (subject to change according to Vet recommendations). We also highly recommend year-round flea and tick preventative.
- All dogs must be in good health. Owners will certify that their dog(s) are in good health and have not been ill with a communicable condition in the last 30 days. Upon admission, all dogs must be free of any condition that could potentially jeopardize other guests, including fleas or ticks. Dogs that have been ill with a communicable condition in the last 30 days will require veterinarian certification of health to be admitted or readmitted.
- All dogs must be non-aggressive and not food or toy protective. Owners will certify their dogs have not harmed or shown any aggressive or threatening behavior toward any person or dog. Please keep in mind that the safety and health of all of our guests is our primary concern.
- **All dogs must have a complete, up-to-date, and approved application on file to attend Yappy Campers.**
